

Mitacs

Workforce Solutions Summit

Advancing Collaborative R&D in Canada

Laura Yu

Regional Director – Ontario, Business Development

PURPOSE

Mitacs **empowers** Canadian innovation through partnerships that deliver solutions to our most pressing problems. We drive economic growth, productivity, and meaningful change to improve quality of life for all Canadians.

MISSION

Mitacs is a **catalyzing force** in the Canadian innovation ecosystem. We will build a world-class, diverse community of innovators through our collaborative model, attracting and deploying top talent to industry, and matching need with expertise to create ambitious solutions to real-world challenges.

VISION

Canadian innovation will create change that **transforms** the world.
